Order thereon No 2906 L 26-9 V.

As the vacancy in question has arisen with respect to one of the seats to be filled up by Govt not under rule I of the rules of 24th November 1897 Govt requested to fix the date of the next

suitable person to be appointed in place of Mr. D. Devaraj Urs

2 It must however be observed that the reasoning of the President, that, because an election held on the 8th July 1897 ended in failure, there should therefore be no fresh election, is not sound

SIR,

I have the honor to state that Dr Chotkai, Municipal Commissioner No I Palace Division, is absent from Bangalore being employed on Plague duty and it is likely that he may not be able to attend the meetings of the Board for some time to come. Dr Fernandes, his Successor as Civil Surgeon, cannot fill the place of Dr Chotkai on the Board as the latter was appointed by Government by nomination and not in virtue of his Office as an

Ex-Officio Members. As it is necessary that the full strength of the Board should be maintained, I beg to recommend, should Government see no objection, that Dr. Fernandez may be temporarily appointed Municipal Commissioner for Dr. I Palace Division in place of Dr. Choksi and until the latter's return

Requesting the Chief Engineer to move the Government to nominate the Executive Engineer Bangalore Special Improvements Division as an Ex: officio member of the Municipal Board to enable him to acquaint himself with, & to take part in, the proceedings of the Board in so far as they relate to the Improvements of the city under Contemplation. —

To

The Chief Engineer
of Mysore

Sir,

I have the honor to state in the interests of the city improvement works to be undertaken by this Division, it seems to me very desirable that I sh be in touch with the several Municipal Commissioners, that I should acquaint myself with the proceedings of the Board in so far as they relate to the improvements under Contemplation, and, that I should have an opportunity of laying before them the professional view of any improvement question that they may be Considering

This object is best secured in my humble opinion by making the Executive Engineer Special Improvements Division an Ex: officio member of the Board.—

(2) I may here note for your information that the Marginally noted officers are the present Ex officio members of the Board if the number of the Ex: officio members is not to be increased the Executive Engineer of the Bangalore Division may with advantage be temporarily relieved of his membership and the Executive Engineer Special Improvements Division be made

Under the existing
rules, there can be only 6
ex-officio members for the
Bangalore City Mnl and any
additions to their strength
would disturb the proportion
between ex-officio and no.

necessitating ~~necessitating~~ a change in the
Standing rules. The Govt:
~~therefore~~ feel it doubtful
~~whether~~ it is desirable at

~~to modify the Rules at this~~ ~~stage, with the Bill for~~

Govt consider that it would cause the least inconvenience, if the Exc. Engr. ~~for~~ the Special Dmpt. D^r is substituted for the Exc. Engr. of the Bangalore D^r & they accordingly approve of the appointment of the former as an ex-Officio Member in room of the latter.

It is however noted that in ~~amending the Regulation~~ the question of ~~fixing~~ increasing the No of ex-Officio Members so as to include the latter Officer as one of them will be considered
